SPONSORSHIP GUIDE

May 13 - 16, 2025

Pittock Conservation Area, Woodstock

Providing a hands-on learning environment for students in grades 2 to 5 from Oxford and the surrounding areas to discover the importance of water in their lives and communities.

OXFORD CHILDREN'S WATER FESTIVAL

WWW.CHILDRENSWATERFESTIVAL.CA

The goal of the Festival is to provide a hands-on learning environment for students from grades 2 to 5 from Oxford and surrounding areas to discover the importance of water in their lives and communities.

Ensuring a safe and clean supply of groundwater and surface water is essential for the future of our communities and for the health and enjoyment of us all. We believe educating our youth about water and the environment is the perfect place to start!

The Festival is seeking sponsors interested in supporting this fun and educational event that focuses on children, water and the environment. Funds donated will help cover costs related to the educational program, volunteer support, student busing and site needs.

In order for the Festival to succeed, we need your support!

We welcome cash donations, products, in-kind services or the dedication of volunteer time.

Interested? Contact the Festival Coordinator, Linda Smith at 519-451-2800 ext. 224 or smithl@thamesriver.on.ca.
