

The logo features a stylized outline of the province of Ontario. Inside the outline is a blue water drop containing a globe. The text "PERTH CHILDREN'S WATER FESTIVAL" is written in a circular path around the outline.

Get Involved

Sunday, May 25th

1:00 PM - 4:00 PM, Milt Dunnell Field,
St. Marys, Ontario

ABOUT THE FESTIVAL

The goal of the Perth Children's Water Festival is to provide a hands-on learning environment for families from Perth County to discover the importance of water in their lives and communities. Ensuring a safe and clean supply of groundwater and surface water is essential for the future of our communities and for the health and enjoyment of all.

The Perth Children's Water Festival is always happy to engage with community partners, businesses and organizations that may want to support this fun and educational event that focuses on learning about water.

WAYS TO GET INVOLVED!

Provide an Activity

Can your organization provide an activity based on one of the Festival's five themes - water conservation, water protection, water science, water technology and water attitude - that includes educational and interactive elements?

OR

Would your organization like to learn more about potential activities that can be offered and linked to your mandate in a meaningful way?

Provide Materials and/or Supplies

Do you have educational resources, activity materials and/or an educational exhibit that you can donate?

Volunteer

Can you or others you know in your organization provide programming and/or site logistics the day of the Festival, assist with Committee duties and/or other administrative tasks before and after the Festival?

HELP FUND

Can you or your organization donate funds to help operate the Festival?

Tax receipts are available for donations of \$20 or greater.
